Description

This book is developed in line with the new syllabus for Early Childhood Development and Education. It consists of curriculum based, fun filled Social activities with colourful illustrations to attract and hold the child's attention. The activities in this book are designed to help children develop an understanding of their immediate environment. Activities and exercises are provided at the end of each topic to enhance the acquisition of social skills.

This activity book is ideal for use both at school and at home for 4+ year old children.

Other titles in this series are:

- Social Activities for Day Care (Level 1)
- Social Activities for Pre-Primary II (Level 3)
